

## Children's Letter June 2009

### *Greetings from Kathmandu Nepal!*

We are fine and in our last term of the school year. Over the Easter holidays, a church team from Counterslip in Bristol came to visit us. We went trekking with them and they did a programme at our church here. It was a lot of fun!

During the month of May at school we are doing 'May Madness'. Every Friday in May we do something a little crazy. So far we have dressed up like film / book / superhero characters, had crazy hair day, beach day and dress alike day. We' still have pajama day to come. Even the teachers dress up. For dress alike day, all the teachers dressed up as 'super teachers' with capes, underwear outside of their clothes, and superman (super teacher) badges on the front of their shirts.

In school, I (Justin) have just finished studying about the ancient Greeks. We wrote our own myths. I am learning about the Aztecs and the Incas. In art, we are doing weaving because the Incas were one of the first groups in the world to discover how to weave. (FACT: The ancient

*Justin doing a trick as part of the children's programme*

*Lucy on a trek with Suraj*

Chinese and the Incas discovered how to weave at the same time even though they were in different parts of the world and couldn't speak to each other.)

In school, I (Lucy) am learning my times tables in maths. We went to the zoo with my class because we are learning about animals. The zoo is very close to school so we could walk there. We went back to school in the bus. I saw a baby monkey and it was very small and cute. I saw three tigers. Two were standing up and walking around. The other tiger was in his 'den'. That was the one that had killed another

tiger. I like to play ships across the ocean with my friends at school.

**Here are some jokes that we like!**

What's the most common kind of owl?

*A teet owl (a tea towel)*

What has a bed but doesn't sleep, and has a mouth but doesn't speak?

*A river*

What does a rich man need, a poor man have and the dead eat?

*Nothing*

Please write to us and let us know what you are doing!

**Lots of love from  
Justin and Lucy 😊**

BMS World Mission supports 350 personnel working in 34 countries of the world. Together they are involved mainly in church planting, development, disaster relief, education, health and media and advocacy. If you would like to support BMS you can make a one-off donation, or you can become a 24:7 Partner for as little as £2 per month. Visit [www.bmsworldmission.org](http://www.bmsworldmission.org) or call 01235 517617 for a 24:7 Partners leaflet, or 01235 517641 for our donation hotline.
