Prayer points:

Please pray for:

1. The Wilsons, that they continue their work in France with the same determination and enthusiasm that they have for the last 30 years.

2. French people who may find it difficult to profess their faith due to France being a secular state—that God would encourage them and empower them with love.

3. BMS mission workers Christine Kling, Claire-Lise and David Judkins and Philip and Rosemary Halliday, who, like the Wilsons, are currently working to strengthen the Church in France.

4. UK churches who might be struggling to engage members of their church family.

Four ideas to help your church:

1. Pray
2. Learn to trust
3. Understand the needs of new Christians
4. Be patient

Please pray for John and Sue Wilson
