

## Prayer points

There are so many more people just like Isabel in Mozambique who need AMAC's support. Please pray for this vital work, so that more people can live without fear. Pray for:

- Mark and Susanna Barrell, as they continue serving with BMS in Mozambique.
- The work of AMAC, that it will continue to bring support to the most vulnerable people in Mozambique, and the wonderful Mozambican Christians who are partnering with BMS to make a difference.
- Victims of abuse like Isabel in Mozambique and across the world, that they might know hope, justice and fullness of life.
- For Mozambique as a country, that its people will be able to learn more about correct legal practices and learn their rights.

*The lawyers of the Association of Christian Lawyers in Mozambique are committed to bringing justice to people who need it most.*
